## Driving By Card - Instruction Sheet

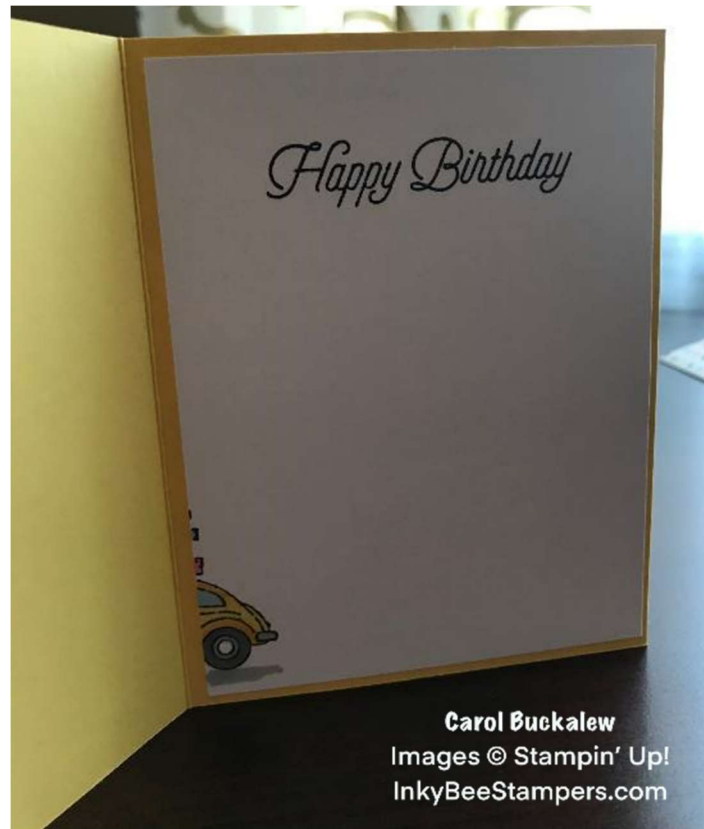

### Card Cuts:

- Card Base – Daffodil Delight Cardstock – 8-1/2" x 5-1/2", score at 4-1/4"
- Polka Dot Sunshine & Rainbows DSP – Cut 1 at 5-1/4" x 2"

- Cloud Sunshine & Rainbows DSP – Fussy Cut 1 cloud
- Basic White Cardstock – Cut 1 at 4-1/2” x 3-1/2”. Stamp the VW car image on this piece.
- Basic White Cardstock – Cut 1 at 4” x 5-1/4” for inside greeting.
- Small scrap of Basic White Cardstock – 1 for stamped greeting on card front.

## Making the Card:

- Stamp the Volkswagen car image from the Driving By Stamp Set onto the piece of white 4-1/2” x 3-1/2” cardstock. Use the second to largest die from the Stitched So Sweetly die set to cut out the image.
- Stamp the rear of this same car image in the bottom left corner of the Basic White cardstock used for the inside of the card.
- Stamp the “Driving By” greeting from the same stamp set onto a scrap piece of Basic White cardstock. Use the second to smallest rectangular die from the Stitched So Sweetly die set to cut out the greeting.
- Using Stampin’ Blends markers, color the car and gifts for the front of the card, and also color in the rear image of the car for the inside of the card.
- Using Multipurpose Glue, adhere the 5-1/4” x 2” piece of polka dot DSP onto the front of the card base along the left edge of the card front.
- Fussy cut one cloud from the Sunshine & Rainbows DSP. Using Stampin’ Dimensionals, pop up the cloud onto the top right portion of the card front.
- Glue the car panel you colored in onto the lower portion of the card.
- Using Stampin’ Dimensionals, pop up the greeting and apply to the card front. I placed the greeting on an angle over the car image to the left of the car.
- I used the Happy Birthday greeting from the Special Moments stamp set to stamp the inside greeting onto the 4” x 5-1/4” piece of Basic White Cardstock – the same piece of cardstock that you stamped the rear image of the car onto. Adhere this panel to the inside of the card using Multipurpose Glue.

The card is complete! This is a super quick and easy card. Give it a try!

## Products Used for This Project:

### ***Items from the 2021-2022 Annual Catalog***

- Basic White Cardstock (pg. 123)
- Daffodil Delight Cardstock (pg. 122)
- Stampin Blends Used (pgs. 122 & 123)
