- White Panel - Cut 1 Basic White cardstock to 5-3/8" x 2-3/4"
 - Inside Panel - Cut 1 Basic White cardstock to 4-1/8" x 5-3/8"
 - Scrap of Coastal Cabana for die cut circle sentiment label
 - Envelope - Cut 1 Coordinating DSP to 6" x 2-3/4"
2. Adhere the DSP to the card front.
 3. Using the large background die from the Blossoming Happiness Dies, center die over the 5-3/8" x 2-3/4" white panel and die cut. Adhere the white panel to the left of the card front, even with the DSP you glued down in step #2.
 4. Using the coordinating dies from the Blossoming Happiness Dies, cut out two roses from the DSP in Coastal Cabana shade, and cut out two roses from the DSP in Night of Navy shade.
 5. Using the Blossoming Happiness Dies, cut out three sets of leaves from the DSP using the coordinating dies.
 6. From a scrap of Coastal Cabana cardstock, die cut the circle sentiment label using the 3rd from largest circle die from the Stylish Shapes Dies.
 7. Using one of the medium sized rose stamps from the Happiness Abounds stamp set, stamp a single rose in Pool Party ink on the lower right corner of the inside white panel. Stamp the same rose in Pool Party ink on the lower right front of the envelope.
 8. Using the light shade Pool Party Stampin' Blends, color in the roses you just stamped in step #7 above. At the top of the rose image, there are several thin slivers - leave these thin slivers of the rose image un-colored to indicate the top of the rose petal is turned and catching the light.
 9. Using the greeting "Wishing you all the happiness you can imagine" greeting from the Happiness Abounds stamp set, stamp the greeting in Starry Sky ink onto the Coastal Cabana die cut circle sentiment label.
 10. Using the greeting "Happy Mother's Day" from the Celebrating You stamp set, stamp in Starry Sky ink on the inside panel.
 11. Dry fit the die cut roses and leaf sets over the white die cut panel. It's okay to overlap slightly onto the DSP portion of the card front. Once you are satisfied with the placement of the flowers and leaves, begin adhering them to the card front. I used Mini Glue Dots to adhere three of the roses and the leaves to the card front. The large Coastal Cabana rose was adhered last using Stampin' Dimensionals.
 12. Using Starry Sky Metallic Woven Ribbon, tie a double bow and adhere to the card front using a Mini Glue Dot. I tucked the knot of the bow slightly under the large Coastal Cabana rose, then trimmed the bow tails.
 13. Using Stampin' Dimensionals, adhere the sentiment label to the upper right of the card front.
 14. Place several Opal Rounds to the card front.
 15. Adhere the inside panel to the inside of the card
 16. Using glue, adhere the coordinating DSP to the envelope and fussy cut around the flap to finish off the envelope.

The card is complete! I'll be saving this card to give to my Mom on Mother's Day...can't wait!
