Products from the new Tea Boutique Suite were used to create this card. This is such a happy set! and the 6" x 6" coordinating paper is adorable! Our new In Colors are awesome, too! Orchid Oasis and Parakeet Party were used on this card which are two of the new colors.

### 1. Card Cuts:

- Card Base - Cut 1 Orchid Oasis cardstock to 11" x 4-1/4", score at 5-1/2"
  - Tea Boutique 6" x 6" DSP in Orchid Oasis pattern - Die cut 1 square using the largest square from the Stylish Shapes Dies set
  - Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
  - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
  - Scraps of Basic White cardstock to die cut teacup, leaf image, lemon wedges, and sentiment label
  - Envelope Flap - Cut 1 Tea Boutique DSP in Orchid Oasis pattern to 6" x 2-3/4"
2. For the white card front panel, use the Gingham Embossing Folder to emboss the panel.
  3. Stamp the large leaf image from the Cup of Tea stamp set in Parakeet Party ink onto a scrap of white cardstock, then die cut using the Teacup Dies.
  4. Using the Teacup Dies, die cut two solid lemon images and two sectioned lemon images

onto Basic White cardstock (or cut from Daffodil Delight cardstock). Color the sectioned lemon wedges with the darkest shade of Daffodil Delight Stampin' Blends. Color the two solid lemon wedges in the lighter shade of Daffodil Delight Stampin' Blends. Glue the sectioned lemon wedge pieces to the solid lemon wedge pieces.

5. Using the small single flower stamp from the Cup of Tea stamp set, stamp the flower onto the die cut teacup using Orchid Oasis ink. I stamped the image approximately 6 times - both full images and partial images of the flower.
6. To finish the teacup die cut, use the Orchid Oasis Stampin' Blend to add polka-dots across the teacup. Using the bullet end of the Stampin' Blend marker will give you better control of the size of the polka-dots.
7. Arrange the teacup, leaf die cut, and lemon wedges onto the Orchid Oasis patterned paper die cut square. The leaf die cut will sit slightly under the teacup so glue this image down first. Then glue down the tea cup - centering onto the square, then glue down the lemon wedges.
8. Adhere the embossed white panel to the card front.
9. Apply two short strips of Stampin' Seal to the center of the card front (onto the embossed panel). This will be used to hold the ribbon in place. Loop a length of Orchid Oasis Metallic Woven Ribbon from the upper left corner to the lower right corner of the card front and secure each end of the ribbon to the area where you applied Stampin' Seal.
10. Adhere the Orchid Oasis Square (with the glued die cut images) to the card front using Stampin' Dimensionals. You will be placing this square over the ribbon you just secured to the card front in Step #9 above.
11. Stamp the sentiment "Thank you for your friendship" greeting from the Cup of Tea stamp set onto a scrap of white cardstock. Using the long smaller banner die from the Stylish Shapes Dies, die cut the sentiment out. Adhere the sentiment to the card front using Stampin' Dimensionals. Place just under the blue square.
12. For the inside white panel, stamp the large leaf image in the lower right corner in Parakeet Party ink, then stamp a lemon wedge in Daffodil Delight ink. Do the same for the envelope front.
13. Apply several Opal Rounds to the card front.
14. Glue the coordinating DSP to the envelope flap and fussy cut to finish off the envelope.
