Today's card uses the simple yet beautiful images from the Forever Fern stamp set. I created my own background DSP using the stamps from this set for a simple and quick card.

### 1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
  - Card Panel - Cut 1 Cherry Cobbler cardstock to 5-3/8" x 4-1/8"
  - Card Panel - Cut 1 Basic White cardstock to 4-3/4" x 3-1/2"
  - Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 3/4"
  - Sentiment Label Mat - Cut 1 Cherry Cobbler cardstock to 3" x 1"
  - Inside Card Panel - Cut 1 Cherry Cobbler cardstock to 5-3/8" x 4-1/8"
  - Inside Card Panel - Cut 1 Basic White cardstock to 5-1/2" x 4"
2. On the white 4-3/4" x 3-1/2" panel and using various stamps from the Forever Fern stamp set, repeatedly stamp images across the panel. I used two different leaf stamps and the berry stamp, along with the dots stamp for my background. Colors used include Mossy Meadow, Night of Navy, Cherry Cobbler and Crumb Cake.
  3. Adhere the Cherry Cobbler panel to the front of the card base.
  4. Stamp the greeting "Hello" in Cherry Cobbler ink onto the sentiment label, then adhere the

label to its Cherry Cobbler Mat.

5. Using Stampin' Dimensionals, adhere the stamped white card panel to the card front.
6. Using a small amount of Stampin' Seal or Tear & Tape, secure a 2-1/2" piece of Natural Finish Ribbon to the card front. I place the ribbon at an angle about 2/3 of the way down the white stamped panel.
7. Using Stampin' Dimensionals, adhere the sentiment label over the ribbon onto the card front.
8. On the inside white panel, 2nd generation stamp the leaf image in the center of the panel using Mossy Meadow ink. Then, stamp the greeting "to a friend that makes me smile" in Cherry Cobbler ink over the leaf image you just stamped.
9. Adhere the white inside panel to the Cherry Cobbler panel, then adhere this unit inside of the card base.
10. Adhere several Rustic Metallic Dots to the card front.
11. Using the same leaf image as you did for inside of the card, 2nd generation stamp in Mossy Meadow ink on the envelope flap and the lower right corner of the envelope front.

This completes the card. The Forever Fern stamp set is an excellent choice when sending a card to a nature lover!
