1. Card Cuts:

- Card Base - Cut 1 Crumb Cake cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - Panel 1 - Cut 1 Blackberry Bliss cardstock to 4-3/4" x 3-1/2"
 - Panel 2 - Cut 1 Crumb Cake cardstock to 4-1/2" x 3-1/4"
 - Panel 3 - Cut 1 Blackberry Bliss cardstock to 4-3/8" x 3-1/8"
 - Panel 4 - Cut 1 Crumb Cake cardstock to 4-1/4" x 3"
 - Scrap of Crumb Cake cardstock for die cutting sentiment label
 - Scraps of Crumb Cake cardstock for die cut flowers
 - Scraps of Blackberry Bliss for die cut flower and butterfly
 - Inside Card Panel - Cut 1 Blackberry Bliss to 4-1/8" x 5-3/8"
 - Inside Card Panel - Cut 1 Very Vanilla cardstock to 5-1/4" x 4"
2. Start off by using the dotted stamp from the Quiet Meadow stamp set, and 1st generation stamp dots all around the edges of the card base front - approximately 3/4" from the edge towards the center of the card.
3. Using Blackberry Bliss ink, stamp the large flower from the Quiet Meadow stamp set, 2nd-generation stamp the flower on Panel #4. I stamped the flower image approximately six times across this panel. Use the small leaf image from the Eden's Garden stamp set, and

2nd generation stamp this image in Blackberry Bliss ink, filling in between the flowers you just stamped. Lastly, use the dotted stamp from the Quiet Meadow stamp set to 2nd generation stamp in between the flower and leaf images you just stamped in Blackberry Bliss ink. I didn't worry if I stamped over images that I already stamped.

4. Using a sponge dauber, blend ink onto the two Crumb Cake die cut flowers, making the tips of the flowers darker.
5. Adhere Panel #1 to the front of the card base making sure there is an equal distance all around the panel.
6. Adhere Panel #3 to Panel #2. Then, adhere Panel #4 to the #3 and #2 Panel.
7. Using Wink of Stella, color in the center sections of each of the butterfly's wings.
8. Arrange the three die cut flowers and the butterfly onto Panel #4. Once you're happy with the placement begin adhering the flowers to the front of the panel. I arranged the Blackberry Bliss die cut flower in the center, with the two Crumb Cake die cut flowers to the right and left. I adhered the butterfly last.
9. Stamp the "Thinking of You" sentiment from the Quiet Meadow stamp set onto a scrap piece of Crumb Cake in Blackberry Bliss ink and die cut. Place a Stampin' Dimensional on each side of the back of the sentiment label and adhere to card front. I placed the sentiment label towards the bottom of the panel - covering the flower stems. Cut two short pieces of Linen Thread and loop a piece through the center cut out on the sentiment label on both sides and secure the thread to the back of the layered panels using a piece of Tear & Tape.
10. Using Stampin' Dimensionals, adhere the multi layered panel to the card front, making sure there is an even amount of space on all sides (around Panel #4).
11. Using the large flower from the Quiet Meadow stamp set, second generation stamp the flower on the inside Very Vanilla panel - once in the lower right corner and once in the upper left corner. Adhere this Crumb Cake panel to the Blackberry Bliss panel, then adhere this unit inside of the card.
12. Using the same large flower, 2nd generation stamp the flower on the envelope front and envelope flap.

The card is complete! Even though only two colors were used on the card - Crumb Cake and Blackberry Bliss - there are lots of details for the viewers eyes to take in on this card. Any two complimentary colors would be stunning on this card. What color combinations would you use?
