Every Mom would like to receive roses for Mother's Day! Today's card features the Happiness Abounds stamps, dies and DSP to create this beautiful Mother's Day card.

### 1. Card Cuts:

- Card Base - Cut 1 Fresh Freesia cardstock to 11" x 4-1/4", score at 5-1/2" and 4-1/2"
- Hues of Happiness Designer Series Paper for Card Front
  - Cut 1 DSP in tones of Fresh Freesia, Gorgeous Grape and Night of Navy to 4-1/8" x 7/8"
  - Cut 1 DSP in tones of Fresh Freesia, Gorgeous Grape and Night of Navy to 4-1/8" x 2-1/2"
- From the Hues of Happiness DSP and using the coordinating dies from the Blossoming Happiness Dies set, cut out several roses and leaf sets. I cut 2 Fresh Freesia roses, 2 Night of Navy roses, 1 Gorgeous Grape rose, and three leaf sets.
- Cut 1 Mother of Pearl Specialty Paper to approximately 3-1/4" x 3-1/4" Die cut using the largest square die from the Stylish Shapes Dies
- Scrap of Basic White cardstock for sentiment label
- Inside Card Panel - Cut 1 Night of Navy cardstock to 4-3/8" x 4-1/8"

- Inside Card Panel - Cut 1 Basic White cardstock to 4-1/4" x 4"
  - Envelope Flap - Cut 1 coordinating DSP to 2-3/4" x 6"
2. Using the largest die from the Blossoming Happiness Dies that looks like a garden trellis, center the die onto the DSP that was cut to 4-1/8" x 2-1/2" and die cut. Using small drops of glue, adhere this panel to the card front flush with the 4-1/2" score line.
  3. Adhere the 4-1/8" x 7/8" piece of DSP to the 1" section of the card front. NOTE: The DSP I used has Night of Navy at the bottom and Gorgeous Grape at the top. When gluing down the two pieces of DSP, make sure the DSP colors match up.
  4. Cut a length of Fresh Freesia Open Weave Ribbon sufficient to wrap around the 1" section of the bookfold binding and to tie a bow. Using a small amount of Stampin' Seal, secure the ribbon on the inside of the card between the 5-1/2" and 4-1/2" score lines. Bring the ribbon to the front of the card and tie a bow. Open the card up and use glue to secure the 1" section of the bookfold card. This 1" section is glued to create the "binding" of the bookfold.
  5. On the Mother of Pearl die cut square, arrange the roses across the top and left side of the square. Once you're happy with the placement, use Mini Glue Dots to adhere the roses to the Mother of Pearl square. The roses should not completely cover the Mother of Pearl square as we want part of it to show! The glue dots provide a little bit of dimension to the roses. The last rose placed, the large Fresh Freesia rose, was adhered using Stampin' Dimensionals. The leaf sets were added last and I used a small amount of glue on the leaf stems to tuck these under the roses and adhere.
  6. Using glue, adhere the Mother of Pearl square/Rose arrangement piece to the card front, centering it over the "Book" part of the card front.
  7. Stamp the greeting "Happy Mother's Day" from the Celebrating You stamp set using Tuxedo Black Memento ink onto a piece of scrap white cardstock and die cut using the 2nd to smallest banner die from the Stylish Shapes Dies set. Adhere the sentiment label using Stampin' Dimensionals to the lower right of the card, being careful not to place any Dimensionals where the label will overlap the rose.
  8. For the inside white panel, stamp the sentiment "Love you so much" from the Flowering Tulips stamp set using Tuxedo Black Memento ink. Using Memento ink again, stamp the large image of the rose from the Happiness Abounds stamp set onto the lower right corner of the white inside panel. Using Granny Apple Green ink, stamp the multi-leaf image next to the rose. Using Fresh Freesia Stampin' Blends, color the image of the rose. Use Daffodil Delight Stampin' Blends to color the center of the rose. Using Granny Apple Green Stampin' Blends, color in the leaves.
  9. Adhere the inside white panel to the inside Night of Navy Panel, then adhere this unit on the inside of the card base.
  10. For the envelope front, stamp the rose image and leaf image on the lower right of the front of the envelope. I stamped the leaf image twice. Using black Memento ink to stamp the rose and Granny Apple Green ink to stamp the leaves. Color the rose with Fresh Freesia ink and the leaves with Granny Apple Green ink. Color the center of the rose using Daffodil Delight Stampin' Blends. **Caution: Place a small scrap of cardstock inside of the envelope**

**before coloring the images in case the ink bleeds through.**

11. To finish the envelope, glue the coordinating DSP to the envelope flap and fussy cut around the flap.
12. On the card front, use several of the purple Glossy Dots to finish off the card front.

The card is complete! Any Mom would be thrilled to receive this lovely card on Mother's Day!
