Today's card uses only stamps, ink and paper. That's it! Super easy and quick. I used the Boughs & Blossoms stamp set and a couple of our new 2022-2024 In Colors...because I couldn't just choose one! This simple card design can be recreated with any paper, stamps and ink that you have on hand and the project is suitable for beginner stampers! #SimpleStamping Here are the details:

1. Card Cuts:

- Card Base - Cut 1 Orchid Oasis cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel - Cut 1 2022-2024 In Color 6" x 6" DSP to 5-3/8" x 4-1/8". I chose the polka dot pattern in Starry Sky and Orchid Oasis.
- Strip - Cut 1 Parakeet Party cardstock to 6-1/2" x 1-1/2"
- Square - Cut 1 Basic White cardstock to 3-1/4" x 3-1/4"
- Inside Panel - Cut 1 Parakeet Party cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. Using the curved leaf image from the Boughs & Blossoms stamp set, stamp this image four times in Parakeet Party ink on the white square to form a wreath.

3. Using one of the flower images, stamp the flower in the lower right corner, over top of the

wreath in Starry Sky ink.

4. Stamp the greeting "thank you" in the upper left corner of the square in Starry Sky ink.
5. On the 6-1/2" x 1-1/2" Parakeet Party strip, use the leaf image to stamp repeatedly across the strip in Parakeet Party ink. Adhere the strip to the DSP panel at an angle, then use scissors to trim the strip even with the sides of the DSP. Adhere the DSP/Strip unit to the card front.
6. Adhere the white square to the card front over top of the Parakeet Party strip. Angle the square to mimic the angle of the strip underneath.
7. On the inside white panel, use one of the leaf stamps to stamp on the lower right corner of the panel using Parakeet Party ink.
8. Adhere the inside white panel to the inside Parakeet Party panel, then adhere this unit inside of the card.
9. Use the same leaf stamp to stamp in Parakeet Party on the envelope front (lower right corner) and the envelope flap.

The card is complete!
