The Willow Tree Bundle, Charming Sentiments Bundle and the Fabulous Frames Dies were used to create this simple and cheerful card.

1. Card Cuts:

- Card Base - Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
 - Frame & Panel Die Cut - Cut 1 Basic White Cardstock to approximately 5-1/4" x 4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Scrap of Basic White cardstock for stamping and die cutting sentiment label
2. From white cardstock start by cutting the frame and panel using the largest rectangular frame from the Fabulous Frames Dies set. The inside piece of the frame die cut will be used for stamping the scene for this card. Set aside the frame for the scene for now.
 3. Using the "ground" stamp from the Willow Tree stamp set, stamp in Crumb Cake ink towards the bottom center of the insert panel. I stamped the ground approximately one inch from the bottom of the panel.
 4. From the Willow Tree stamp set, first stamp the tree trunk using Soft Suede ink. Then, stamp the tree leaves in Granny Apple Green ink, being sure to line up the leaves stamp to the tree trunk you previously stamped. Using the second to smallest leaves stamp from the

stamp set, stamp leaves in Granny Apple Green where needed to fill in the willow tree image. I stamped several along the top branches, and used this small leaves stamp to lengthen some of the willow "vines" that are hanging down towards the ground.

5. Stamp a bunny in Early Espresso ink. I used a black Stampin' Write marker to indicate the bunnies nose and eye.
6. Using the grass stamp, stamp grass along the top of the "ground" in Granny Apple Green. Stamp repeatedly along the top of the ground.
7. With the medium sized willow leaf stamp, turn the stamp upside down and stamp leaves across the bottom of the panel in Evening Evergreen ink, creating bushes.
8. Using a sponge dauber, lightly blend Pool Party ink across the scene panel, indicating sky. Very lightly blend in the sky around the willow leaves. Blend in the sky from the top of the panel to the "ground".
9. Using a piece of scrap white cardstock, stamp the sentiment from the Charming Sentiments stamp set in Soft Suede ink, then use the coordinating die to cut out the sentiment.
10. Using the medium sized willow leaves stamp, stamp willow leaves in the upper left hand corner on the inside white panel in Granny Apple Green ink. Adhere the inside panel to the inside of the card. Use this same stamp to stamp hanging willow leaves on the center of the envelope flap.
11. On the envelope front, stamp the tree trunk in Soft Suede and the coordinating willow leaves in Granny Apple Green in the lower right corner of the envelope front.
12. To finish off the card front, adhere the white frame to the card front using Stampin' Dimensionals. You will need to trim the dimensionals down to fit the slender frame. Be sure to apply enough dimensionals to support the frame. Adhere the frame to the card front being sure to center the frame on all sides.
13. Using glue, adhere the insert panel, or scene, in the middle of the frame.
14. Adhere the sentiment label to the lower right corner of the stamped scene.
15. Using white Crinkled Seam Binding Ribbon, tie a small double bow and using a Mini Glue Dot, adhere the bow to the left of the sentiment label at an angle.
16. Apply several Brushed Brass Butterflies to the card front.

The card is complete! I love building scenes with stamps and ink. The frame from the Fabulous Frames Dies is the perfect touch for this sweet scene!
