- first) in Orchid Oasis ink over each of the three wisteria flowers. Die cut the wisteria using the coordinating die from the Wisteria Dies set.
3. On the 3-1/2" x 3-1/2" piece of cardstock, use the Stylish Shapes Dies and die cut the largest circle from the die set. This will be used as a stencil. You can set aside the die cut circle and save it for a future project.
  4. The wisteria will be sitting on top of a meadow scene which you'll create using the stencil and the 3-3/4" square by ink blending. On the 3-3/4" x 3-3/4" piece of white cardstock, lay the stencil from Step #3 above over the square, uncut piece of cardstock and center. Using low tack tape or washi tape, secure the stencil to the 3-3/4" square. Using sponge daubers, blend Pear Pizzazz over the bottom portion of the circle and Balmy Blue over the upper portion of the circle. My green meadow is on a hill and sits higher on the left. When sponge daubing the sky, leave a few white areas to indicate wispy clouds.
  5. On the 5-1/4" x 4" white panel, die cut the largest circle from the Stylish Shapes Dies. I positioned the top of the circle approximately 5/8" from the top of the card panel, and centered right to left. Die cut. Set aside the circle shape for a future project.
  6. The Wisteria leaves and wisteria flowers will be glued sitting under the 5-1/4" x 4" white panel die cut circle opening. Dry fit, then using a small amount of glue, adhere the flowers to the vine, then adhere the vine to the underside of the white panel. Refer to photo for placement.
  7. Stamp the sentiment "Faith is about trusting" onto a scrap piece of white cardstock in Orchid Oasis ink then use the 3rd to smallest circle die from the Stylish Shapes Dies to die cut the sentiment label.
  8. Place Stampin' Dimensionals on the "right" side of the ink blended sky/meadow scene, then place Stampin' Dimensionals on the back side of the 5-1/4" x 4" white panel. Carefully line up the ink blended scene with the circle cut out on the 5-1/4" x 4" panel and adhere together.
  9. Glue the unit from Step #8 above to the front of the card base using glue.
  10. On the inside panel, stamp the sentiment "Even when you don't understand" in Orchid Oasis ink. Adhere the white panel to the Orchid Oasis panel, then adhere this unit on the inside of the card.
  11. Use Stampin' Dimensionals to adhere the sentiment label to the lower front of the card.
  12. Tie a small bow from Orchid Oasis Metallic Woven Ribbon and adhere to the top left of the circle using a Mini Glue Dot.
  13. Stamp the same leaves and wisteria images in Mossy Meadow and Orchid Oasis inks on the envelope front (bottom left) and the envelope flap.
