Our **Hippest Hippo** is back again in this quick and easy Birthday card! I needed to make a birthday card for a very special gentleman in our lives. Mr. Hippo was combined with elements from the **Celebrate With Tags Bundle** to create this quick and simple card. Here are the details...

1. Card Cuts:

- Card Base - Cut 1 Pacific Point cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel & Inside Panel - Cut 2 Basic White cardstock pieces to 5-1/4" x 4"
- DSP Strip - Cut 1 2022-2024 In Color 6" x 6" Designer Series Paper (Tahitian Tide polka dot pattern) to 5-1/4" x 3/4"
- DSP Die Cut Tag - Cut 1 2022-2024 In Color 6" x 6" Designer Series Paper (Tahitian Tide striped pattern to approximately 6" x 2-1/2")
- Scraps of Granny Apple Green for die cut grasses
- Scraps of Basic White cardstock for stamped and die cut sentiment label, Hippo, and balloons
- Scrap of Coastal Cabana cardstock for die cutting heart
- Scrap of Basic Black cardstock for die cutting sunglasses

- Scrap of Pool Party for die cutting party hat
2. Use the balloon stamp from the Celebrate With Tags Stamp Set to stamp the balloons. Stamp one balloon in Pacific Point ink, one in Balmy Blue ink and one in Pool Party ink. Use the coordinating die from the Celebrations Tag Dies to die cut the balloons.
 3. While you have the balloon stamp out, stamp the balloon in each of the colors indicated above on the envelope front and the envelope flap. Start stamping with the lightest color (Pool Party) first then work to the darkest color (Pacific Point).

4. Stamp the sentiment "Let's Celebrate You" from the Celebrate With Tags stamp set onto a scrap piece of Basic White cardstock, then die cut using the circle die from the Celebrations Tag Dies set.
5. Using the tag die from the Celebrations Tag Dies set, die cut the small, scallop edged tag die from the striped Tahitian Tide pattern from the 2022-2024 In Color DSP and die cut 1 heart from the dies in the Celebrations Tag Dies set.
6. From the Hippo Dies, die cut 3 grasses in Granny Apple Green cardstock. Die cut 1 party hat in Pool Party cardstock, and die cut the sunglasses in Basic Black cardstock.
7. Stamp the Hippo from the Hippest Hippos stamp set onto Basic White cardstock in Tuxedo Black Memento ink. Using Stampin' Blends in Smoky Slate and the dark shade of Petal Pink, color in the Hippo. I used the Petal Pink to color his mouth, and toes. Die cut using the coordinating die from the Hippo Dies set.
8. Adhere the Basic White panel to the card base front. Adhere the polka dot strip of Tahitian

Tide DSP to the white panel, about half way up the panel.

9. Fold the tag at the score line and use adhesive to glue the tag together. Adhere the die cut heart to the tag towards the top and at a slight angle. Adhere the circle sentiment label to the tag front, towards the bottom and slightly overlapping the heart. With a short length of white Baker's Twine, fold the twine in half and feed through the hole at the top of the tag. Feed the ends through the loop created and pull firmly to secure the twine. Adhere the tag to the card front using Stampin' Dimensionals. Place the tag at an angle to the left side of the card front.
10. Using small drops of glue, adhere the party hat to the top of the Hippo's head and adhere sunglasses to the Hippo. Adhere a small blue Glossy Dot to the tip of the party hat. Use Stampin' Dimensionals to adhere the Hippo to the card front. The Hippo's feet should be approximately a 1/2" from the bottom of the white panel in order to leave room to adhere the grasses.
11. Adhere the three die cut grasses around the Hippo's feet.
12. With two of the die cut balloons, adhere the balloons together so that they are slightly overlapping and the strings meet together at the ends. Trim the string off of the third balloon, and apply glue to the front bottom of this balloon and adhere behind the first two balloons so that it is peeking out from behind. Apply Stampin' Dimensionals to the backs of the balloons and adhere to card front so that the string ends lay over the Hippo's outstretched hand. You can use a small drop of glue on the Hippos hand to hold the balloon strings in place.
13. Stamp the sentiment "Happy Birthday" from the Celebrate With Tags stamp set in Pacific Point ink to the inside card panel. Adhere the panel to the inside of the card.
14. Adhere several more blue Glossy Dots to the card front.

The card is complete! I can't get enough of this happy Hippo and combining him with elements from the Celebrate With Tags Bundle makes this project super FUN!
