Today's card is a congratulations card using the **Bottled Happiness Stamp Set** and the **Fabulous Frames Dies** and pulls in some gorgeous Fall color.

1. Card Cuts:

- Card Base - Cut 1 Pale Papaya cardstock to 11" x 4-1/4", score at 5-1/2"
- DSP Panel - Cut 1 Pale Papaya 2021-2023 In Color 6" x 6" Designer Series Paper to 5-1/2" x 3"
- Mat - Cut 1 Cajun Craze cardstock to 5-1/2" x 3-1/2"
- Mat/Metallic - Cut 2 of the dark Brushed Metallic cardstock to 5-1/2" x 3/4"
- Scraps of Basic White cardstock for die cutting medium and small frames from the Fabulous Frames Dies set
- Inside Panel - Cut 1 Basic White cardstock to 5-1/8" x 3-7/8"
- Inside Mat - Cut 1 Cajun Craze cardstock to 5-1/4" x 4"
- Envelope - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Start off by adhering the piece of Pale Papaya plaid paper from the 2021-2023 In Color 6" x 6" DSP pack to the Cajun Craze mat measuring 5-1/2" x 3-1/2" and center left and

right. Adhere one of the Brushed Metallic strips to each side of this unit and leave approximately a 1/8" reveal of the metallic cardstock on each side.

3. Adhere the unit from Step #2 above to the Pale Papaya card front, centering left to right. When adhering, line up top to bottom from the score line. Depending on how accurate your cuts are, you may need to trim a little off of the bottom edge if any of the layers extends beyond the bottom edge of the card.
4. Using the medium size frame from the Fabulous Frames Dies set, cut 1 of these frames in Basic White cardstock. This die cuts an outer frame and an insert at the same time.
5. From the frame insert from above, use the two large flower stamps from the Bottled Happiness Stamp Set to stamp the flowers on the white insert. Be sure to stamp the flowers on the upper portion of the insert.
 - Use the stamp with the flower images and stamp in Pumpkin Pie ink.
 - Then, use the stamp that stamps the centers of the flowers and stamp in Cajun Craze ink being sure to line up the centers with their flowers.
6. Using the dark shade of a Cherry Cobbler Stampin' Blend, color two of the Textural Elements. Note that the Textural Elements on the card point outwards so be sure to orient the Textural Elements correctly before coloring.
7. To make things easier, I cut a piece of scrap white cardstock to just slightly smaller than the outer frame, and adhered the frame to this piece of cardstock. I then adhered the insert to the inside of the die cut frame.
8. Using the smallest frame from the Fabulous Frames Dies set, die cut the oval frame in Basic White cardstock. Use the inner piece of the frame to stamp the sentiment "Sending a little message" using Cajun Craze ink. Set aside the outer frame piece for a future project.
9. Adhere the two Textural elements to the stamped panel. I placed these towards the bottom and angled one to the right and one to the left.
10. Adhere the stamped frame to the card front using Stampin' Dimensionals. Place towards the top of the card to allow for the sentiment to be placed below.
11. Adhere the oval sentiment label to the card front using Stampin' Dimensionals and place below the stamped frame. Avoid placing Stampin' Dimensionals where they will overlap with the frame.
12. Tie a double bow using linen thread and adhere between the base of the two Textural Elements and above the sentiment label.
13. On the inside white panel, stamp the sentiment "Overflowing with happiness" using Cajun Craze ink.
14. On the inside white panel, Stamp the single sprig image once in Pale Papaya ink and twice in Cajun Craze ink in the lower right corner of the panel. Adhere the panel to its Cajun Craze mat, then adhere this unit to the inside of the card.
15. Adhere one Rustic Metallic Dot to the card front at the top of the frame.
16. Adhere the piece of coordinating DSP to the envelope flap and fussy cut around the flap. On the envelope front, stamp the single sprig in the lower right corner - once in Pale Papaya ink
