We never want to have to send sympathy cards, but they are necessary. The Quiet Meadow Stamp Set makes lovely sympathy, get well and thinking of you cards. Today's card is in blues and white and makes for a subtle, elegant card...and it was quick to put together!

1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Starry Sky Panel - Cut 1 Starry Sky cardstock to 5-1/4" x 4"
- DSP Panel - Cut 1 Sun Prints 12" x 12" Designer Series Paper in Midnight Navy to 5-1/4" x 3-5/8"
- Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 5/8"
- Inside Mat - Cut 1 Night of Navy cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Using the Basic Borders Dies, die cut the Starry Sky Panel using the die that is angled at the top and bottom. Place the cardstock on your die cutting sandwich (Plate #1, #2 and #3), and place the die on the right, long edge so that the die is right up against the edge, but not hanging over the edge. Hold the die in place on the cardstock using Washi tape or Post It

tape so it doesn't shift, then place the second #3 plate on top and die cut.

3. Repeat the process from Step #2 above for the DSP Panel measuring 5-1/4" x 3-5/8".
4. Using the multi-flower stamp from the Quiet Meadow Stamp Set, stamp the image twice on the DSP die cut panel in Night of Navy ink. Vary the height of the stamped images.
5. Using the same multi-flower image, stamp this image on the DSP panel using white craft ink. Allow to completely dry (this may take a few minutes). The white ink can smear if not allowed to dry.
6. Using the dotted stamp from the Quiet Meadow Stamp Set, stamp dots just along the three edges of the DSP die cut panel. Do not stamp the dots on the die cut, right side of this panel.
7. Adhere the die cut panels together, with the DSP stamped panel on top. Line up the left, top and bottom edges. The Starry Sky panel should extend beyond the DSP panel. Then, adhere this unit to the card front, leaving a 1/16" reveal on the top, left and bottom edges.
8. Cut a length of silver Simply Elegant Trim to approximately 9-1/2". Make two loops with the trim and secure the ends together on the loop using several Mini Glue dots. Adhere the trim to the card front on the upper 1/3 of the card front and slightly right of center.
9. On the sentiment label, use Night of Navy ink to stamp the sentiment "Thinking of You". Adhere the sentiment label to the top right of the card front and over top of the secured ends of the trim loops. Use Stampin' Dimensionals to secure the sentiment label to the card front. You will need to check placement of the Stampin' Dimensionals so they do not sit on top of the trim.
10. Use the single, large flower image from the Quiet Meadow Stamp Set and stamp this image in Night of Navy ink on the inside panel. Stamp the additional greeting " Heartfelt love and caring thoughts are with you." onto the inside panel - also using Night of Navy ink. Adhere the inside panel to its Night of Navy mat, then adhere this unit to the inside of the card.
11. Stamp the same single flower image on the lower right corner of the envelope in Night of Navy ink.
12. Adhere the piece of coordinating DSP to the envelope flap then fussy cut around the flap to finish off the envelope.

I love the tone-on-tone stamping on the front of this card and the white flowers over top of this tone-on-tone stamping gives the impression of deep shadows behind the white flowers.

Products used to create this card are included on the next page.
