I used the **Framed Florets Stamp Set**, **Framed Florets Dies**, and the *Fitting Florets 12" x 12" Designer Series Paper* from the **Fitting Florets Collection** to create today's birthday card. The Framed Florets Dies contain beautiful ovals that you can die cut, but I opted for a circle focal point for this card. The beautiful paper chosen for this card creates a soft background accented by a Gold Foil mat.

- Stampin' Cut & Emboss Machine
- Paper Trimmer and snips

## Directions

### 1. Card Cuts:

- Card Base - Cut 1 Night of Navy cardstock to 11" x 4-1/4", score at 5-1/2"
- Gold Mats - Cut 2 Gold Foil to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 of the Soft Succulent small flower print to 5-1/4" x 4"
- Circle - Cut 1 Evening Evergreen to approximately 3-1/4" x 3-1/4" for die cutting
- DSP Circle - Cut 1 of the Soft Succulent small flower print to approximately 2-3/4" x 2-3/4" for die cutting
- Scrap of Basic White cardstock for stamping and die cutting flowers
- Scraps of Gold Foil, and Night of Navy cardstock for die cutting
- Sentiment Label - Cut 1 Night of Navy cardstock to 2-1/2" x 1"
- Sentiment Label Mat - Cut 1 Gold Foil to 2-5/8" x 1-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Adhere the 5-1/4" x 4" DSP Panel to one of the Gold Mats, then adhere this unit to the card front.
3. Using the Layering Circles Dies, die cut a circle from Evening Evergreen cardstock using the largest circle die. Die cut a circle from the Fitting Florets DSP using the 3rd from the largest circle. Adhere the DSP circle to the Evening Evergreen circle.
4. Using the two-flower image from the Framed Florets Stamp Set, stamp the flowers onto a scrap of Basic White cardstock using Tuxedo Black Memento ink and color in with Stampin' Blends. The flower centers were colored with So Saffron. Color the leaves using Soft Succulent and the flowers using Balmy Blue. Use the light shade of Night of Navy Stampin' Blends to darken the flower centers and petals that are falling in shadow. Use the coordinating die from the Framed Florets Dies set to die cut.
5. Using the dies from the Framed Florets Dies set, die cut the following:
  - Die cut 2 small open leaves in Gold Foil
  - Die cut 1 large floret in Gold Foil
  - Die cut 1 large floret in Night of Navy cardstock
6. At the top left of the circle unit, arrange the two large florets to the right, and the two open leaves to the left, leaving a space for the die cut flowers. You will also need to be aware of sentiment label placement before adhering the die cut pieces. Once satisfied with the arrangement, glue the leaves and florets down to the edge of the circle.
7. Adhere the circle unit to the card front using Stampin' Dimensionals.
8. Using a combination of glue and Stampin' Dimensionals, adhere the flowers to the upper left of the circle unit. Stampin' Dimensionals should only be used on the area of the flower die

- cut that is making contact directly with the card front.
- Using VersaMark ink, stamp the sentiment "Just a little reminder that you are loved" then dust and heat set using gold embossing powder. Adhere the sentiment label to its Gold Foil mat, then adhere to the lower right of the circle, slightly overlapping onto the card front.
  - On the inside white panel, stamp the sentiment "Wishes for a beautiful birthday" using Night of Navy ink. Using the same ink, stamp the multi-leaf image in the upper left and lower right corners of the panel. Adhere the panel to the Gold Foil mat, then adhere this unit to the inside of the card.
  - Stamp the same multi-leaf image onto the lower front of the envelope using Night of Navy ink.
  - Adhere the piece of coordinating DSP to the envelope flap and trim around the flap to finish off the envelope.
  - Place multiple Festive Pearls onto the card front. I placed a gold pearl onto each of the "berries" on the Night of Navy floret.

This completes the card! While the die cut components are lovely placed around the ovals provided in the die set, they are equally beautiful arranged around a circle - giving you more options when using the Fitting Florets Collection. **The Fitting Florets Collection is available for customer purchase beginning on November 1st!**
