You might miss the Peaceful Deer Stamp Set in the current Annual Catalog but you'll want to give it a second look. This stamp set includes several deer images, a little bunny and some great pine trees and sentiments! I designed and put this card together in a matter of minutes so this is a great holiday card if you need a card in a hurry!

1. Card Cuts:

- Card Base - Cut 1 Evening Evergreen cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 pine tree pattern from the Boughs of Holly 12" x 12" Designer Series Paper to 5-1/4" x 4"
- DSP Band - Cut 1 Distressed Gold 12" x 12" Specialty Paper to 5-1/4" x 1-3/4"
- Circle - Cut 1 Basic White cardstock to approximately 3-1/4" x 3-1/4" for die cutting
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope - Cut 1 coordinating designer series paper to 6" x 2-1/2"

2. Start off by adhering the 5-1/4" x 4" piece of DSP to the card front, then adhere the Distressed Gold Specialty Paper band on top of the DSP, placing the band in the bottom 1/3 of the card front.

3. On the Basic White cardstock square, use the largest circle die from the Stylish Shapes Dies

set and lightly trace around the inside of the circle to provide a guide for stamping. Stamp the leaping deer in Crumb Cake ink in the lower left of the circle. Stamp the wreath around the deer's neck using Real Red ink. Stamp the sentiment "Wishing you a wonderful year and friendships dear" in Real Red ink in the upper right of the circle.

4. Using Crumb Cake Stampin' Blends, color in the deer. Use the darker shade of the Crumb Cake Stampin' Blends to shade under the deer's neck and belly. Use the Color Lifter Stampin' Blend to make the underside of the deer's tail white (this is a White Tailed Deer - commonly found in the eastern US!).
5. Die cut the circle and adhere the circle to the card front using Stampin' Dimensionals. Place the circle to the right and over the gold band. Refer to photo above for placement.
6. Tie a small bow using gold Shimmer Ribbon and adhere the bow to the top left of the circle using a Mini Glue Dot.
7. Place several gold Brushed Metallic Adhesive-Backed Dots to the circle. I placed mine around the sentiment.
8. On the inside panel, stamp the sentiment "Merry Christmas" using Real Red ink. Stamp pine trees along the bottom of the panel using Evening Evergreen ink. Adhere the panel to the inside of the card.
9. Adhere the piece of coordinating DSP to the envelope flap and fussy cut around the flap. Stamp several pine trees onto the lower portion of the envelope front.

Such a quick and elegant Christmas card! I hope you give it a try. The Distressed Gold Specialty
