I used a few different products to create today's Thanksgiving card. The Aspen Tree Dies were used to highlight the three embossed and die cut leaves on the card front - these embossed leaves look amazing! One of the leaves was die cut from the Metallic & Shimmer 6" x 6" Specialty Paper, and the other two leaves were die cut using prints from the Gingham Cottage 12" x 12" Designer Series Paper. The background for the card was created using one of the Artistic Mix Decorative Masks and Pumpkin Pie ink. The strip down the center of the card came from the Metallic & Shimmer 6" x 6" Specialty Paper and the sentiment came from the Painted Pheasant Stamp Set. Let's get started.

1. Card Cuts:

- Card Base - Cut 1 Pumpkin Pie cardstock to 11" x 4-1/4" and score at 5-1/2"
- Center Strip - Cut 1 Early Espresso cardstock to 5-1/4" x 1-3/4"
- Center Strip in Metallic & Shimmer Paper - Cut 1 of the Pumpkin Pie paper to 5-1/2" x 1-1/2"
- Leaves
 - Die cut 1 large leaf from the Metallic & Shimmer paper

Die cut 2 large leaves using small Gingham prints from the Gingham Cottage 12" x 12" Designer Series Paper pack. I used Pumpkin Pie and So Saffron prints

Die cut 1 small leaf using the So Saffron print from the Gingham Cottage Designer Series Paper pack

- Sentiment Label - Cut 1 Basic White cardstock to 2-1/4" x 3/4"
 - Sentiment Label Mat #1 - Cut 1 Early Espresso to 2-3/8" x 1-1/8"
 - Sentiment Label Mat #2 - Cut 1 So Saffron Gingham Cottage DSP to 2-7/8" x 1-1/2"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Inside Panel Strip - Cut 1 strip from the Pumpkin Pie Metallic & Shimmer Specialty Paper to 4-1/8" x 3/4"
 - Envelope Flap - Cut 1 So Saffron print from the Gingham Cottage DSP pack to 6" x 2-1/2"
2. Lay the card base face up onto a scrap piece of paper. Using the square grid mask from the Artistic Mix Decorative Masks, lay the mask over the card front and secure corners to your work surface using Washi tape or Post It tape. Using a blending brush, blend Pumpkin Pie ink over the entire card front. Carefully lift mask and rinse mask before storing.
 3. Adhere the Metallic & Shimmer center strip to the Early Espresso center strip. The Early Espresso strip is shorter and wider than the metallic strip. Make sure there is an even margin of the Early Espresso strip showing on the left and right and top and bottom. Adhere the strip onto the center of the card front.
 4. Adhere the two Gingham Cottage large leaves on the top third of the card front. Angle the leaves - one to the right and one to the left. Using Stampin' Dimensionals, adhere the Metallic & Shimmer large leaf in the center, between the two gingham leaves.
 5. Using the "Happy Thanksgiving" sentiment from the Painted Pheasant Stamp Set, stamp in Pumpkin Pie ink onto the sentiment label. Adhere the sentiment label to its Early Espresso mat, then adhere this unit to the Gingham Cottage mat. Adhere the sentiment label to the bottom 1/3 of the card using Stampin' Dimensionals.
 6. Using a short length of white Baker's Twine, color the twine using a Stampin' Blend in Cajun Craze. Allow to dry. Tie a small bow and adhere the bow to the bottom of the Metallic & Shimmer leaf on the card front using a Mini Glue Dot.
 7. Adhere the Metallic & Shimmer strip to the bottom of the inside panel, then adhere the small gingham leaf partially over the strip and partially onto the bottom of the panel. Adhere the inside panel to the inside of the card.
 8. Adhere the coordinating piece of DSP to the envelope flap and fussy cut around the flap to finish off the envelope.
