I used the **Framed Florets Stamp Set**, **Framed Florets Dies**, and the **Fitting Florets 12" x 12" Designer Series Paper** to create this pretty easel fun fold birthday card.

1. Card Cuts:

- Card Base - Cut 1 Polished Pink cardstock to 8-1/2" x 5-1/2", score at 4-1/4" and 6-1/2"
- Card Front - Cut 1 Polished Pink cardstock to 5-1/2" x 4-1/4"
- Ornate Oval Frame - Cut 1 in Basic White cardstock using Framed Florets Dies
- Oval Frame - Cut 1 in Polished Pink cardstock using Framed Florets Dies
- Open Die Cut Leaves - Cut 2 from Basic White cardstock using Framed Florets Dies
- DSP/Card Front - Cut 1 Evening Evergreen gingham print from Fitting Florets DSP to 5-3/8" x 4-1/8"
- Die cut 1 two-blossom flower from Fitting Florets DSP and coordinating Fitting Florets Dies and fussy cut multi-flower cluster from Fitting Florets DSP
- DSP/Inside - Cut 1 small flower print from Fitting Florets DSP to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 2-3/4"
- DSP Strip - Cut 1 gingham print to 5-1/4" x 1/2"
- Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 1" from 2nd to smallest

- banner die from the Stylish Shapes Dies set
 - Sentiment Label Mat - Cut 1 Polished Pink cardstock to 2-3/4" x 1" from 2nd to smallest banner die from the Stylish Shapes Dies set
 - Envelope Flap - Cut 1 gingham print from the Fitting Florets DSP to 6" x 2-1/2"
2. Adhere the Evening Evergreen gingham print to the Polished Pink Card Front measuring 5-1/2" x 4-1/4"
 3. From the larger floral print from the Fitting Florets DSP, use the coordinating die to die cut the two-flower image. Fussy cut one of the multi-flower images.
 4. Die cut the ornate frame in white using the Fitting Florets Dies. On the frame insert, stamp the sentiment "Wishes for a beautiful birthday" from the Fitting Florets Stamp Set in Evening Evergreen ink. Adhere the white ornate frame onto the card front, then adhere the stamped frame insert inside of the frame.
 5. Die cut the second oval frame in Polished Pink cardstock (the less detailed frame). Set aside the frame insert as it will not be used for this project. Adhere the Polished Pink frame over the ornate frame and sentiment label.
 6. Using a combination of liquid glue and Stampin' Dimensionals, adhere the two-flower image to the upper right of the oval frame and the fussy cut multi-flower image to the lower left of the oval frame. Adhere the die cut open flowers to either side of the two-flower image.
 7. Adhere the Card Front to the Card Base. With the Card Base closed, apply glue to the lower section of the Card Base only, then adhere the Card Front to the Card Base, lining up the two so they are flush with each other.
 8. Adhere the small floral print DSP panel to the inside of the card.
 9. Adhere the small gingham DSP strip to the bottom of the white inside panel, then adhere this unit to the inside of the card towards the top.
 10. Prepare the sentiment label that acts as the easel "stop". Die cut 1 banner die in Basic White using the 2nd to smallest banner die from the Stylish Shapes Dies set. Die cut a second banner using the same die in Polished Pink. Stamp the sentiment "Celebrate" onto the white banner sentiment label using Evening Evergreen ink. Cut the Polished Pink banner in half vertically, then adhere the Polished Pink halves of the banner to the back of the left and right of the white banner. Adhere the banner sentiment using Stampin' Dimensionals. Center the banner sentiment from left to right and approximately 1/4" from the bottom of the inside of the card.
 11. Adhere the piece of coordinating DSP to the envelope flap and trim around the flap.
 12. Using the two-flower image from the Framed Florets Stamp Set, stamp this image in Polished Pink onto the lower left corner of the envelope front. Color in the image using Stampin' Blends in Petal Pink, Polished Pink and Soft Succulent. Caution: Be sure to slip a scrap piece of paper or cardstock inside of the envelope to prevent bleed through of the markers.
 13. Add several pink Glossy Dots to the card front to finish off the card.
