I combined the ***Around The Bend Bundle*** with the ***Fancy Flora 6" x 6" Designer Series Paper*** to create today's card! I love the leaf cut out from the ***Around The Bend Dies*** and the ***Fancy Flora DSP*** is amazing...it is so, so beautiful! These items are available in the January-April 2023 Mini Catalog.

**Note:** The ***Around the Bend Stamp Set*** and the ***Around The Bend Bundle*** can be purchased with either **Cling stamps** or **Photopolymer stamps**! I love that we have a choice. I purchased my bundle with the photopolymer stamps because I like being able to "see" where I'm stamping. It makes stamping sentiments super easy!

- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Using the arched leaf cutout die from the Around The Bend Dies set, place the die on the 5-3/8" x 3" Evening Evergreen panel. Use Post It tape or Post It Notes to hold the die in place. The curved ends should be approximately 1/4" away from each corner down the left side of the panel. Place one of the leaf sprig dies on the same piece of Evening Evergreen cardstock. You should be able to die cut the leaf border and the leaf sprig at the same time. Set the leaf sprig aside for now. Adhere the large leaf cut out to the DSP Panel. The straight edge of the leaf cutout will be even with the left edge of the DSP panel. Adhere this unit to the card front.
  3. Stamp the sentiment "hello there" from the Around The Bend Stamp Set onto the 2-1/2" x 1-1/2" piece of Soft Sea Foam cardstock using Evening Evergreen ink. Using the smallest rectangular die from the Something Fancy Dies set, die cut the sentiment.
  4. Determine placement of the sentiment label in the lower right corner of the card front but do not adhere to the card yet. Adhere the leaf sprig to the card front so that it will fall partially behind the sentiment label and the leaf tops will show above the sentiment label.
  5. Use a small amount of Stampin' Seal over the stem of the leaf sprig and cut a short length (approximately 2") of gold Simply Elegant Trim. Fold the trim in half and adhere the ends to the Stampin' Seal.
  6. Next, adhere the sentiment label to the lower right corner of the card front using Stampin' Dimensionals. The folded trim and leaf sprig should be visible above the sentiment label.
  7. On the inside panel, stamp the sentiment "just wanted to say thanks" in Evening Evergreen ink. Using the decorative corner stamp from the Around The Bend Stamp Set, stamp this decorative corner in Soft Sea Foam ink in the lower right corner of the inside panel. Use one of the small leaf stamps from the same stamp set and stamp leaves over top of the sentiment on the inside panel using Soft Sea Foam ink. Adhere the inside panel to the inside of the card.

8. Use the decorative corner stamp from the Around The Bend Stamp Set and stamp in Soft Sea Foam ink into the lower left corner of the envelope front. Adhere the piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.

The card is complete! I create cards almost daily and this might be one of my favorites to date - simple but elegant! The decorative leaf die combined with the Fancy Flora paper is beautiful!
