I created this motivational card using the **Greatest Journey Bundle** (stamps and dies) and the **Enjoy the Journey 12" x 12" Designer Series Paper**. This project involves some simple fussy cutting of the DSP. I love how the mountains appear to really pop against the starry night sky! This is a simple and quick card to put together!

1. Card Cuts:

- Card Base - Cut 1 Highland Heather cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Mountain Scene in Highland Heather from the Enjoy the Journey Designer Series Paper to 5-1/4" x 4"
- DSP Panel - Cut 1 Starry Sky from the Enjoy the Journey Designer Series Paper to 5-1/4" x 4"
- Sentiment Label - Cut 1 sentiment label from the leftover paper from the Mountain Scene designer series paper used above to 2-1/2" x 1-1/8". See Step #4 below.
- Sentiment Label Mat - Cut 1 Basic White cardstock to 2-5/8" x 1-1/4"
- Scrap of Highland Heather cardstock for stamping and die cutting pine trees
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"

- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by adhering the piece of Starry Sky DSP to the Basic White mat. Position this piece of DSP at the top of the white mat so that there is a 1/16" reveal along the top, left and right of the mat.
 3. From the Mountain Scene designer series paper panel, use a small pair of paper snips to fussy cut along the top of the mountains. Save the paper that you cut away! Adhere the fussy cut panel to the white mat so that there is a 1-1/6" reveal along the bottom, left and right of the mat.
 4. From the paper you cut away in Step #3 above, cut a piece of the DSP in Highland Heather to 2-1/2" x 1-1/8". From the Greatest Journey Stamp Set, stamp the sentiment "You belong among the Stars" in Starry Sky ink onto the sentiment label. Adhere the sentiment label to its Basic White mat.
 5. On a small scrap of Highland Heather cardstock, stamp the pine tree image in Starry Sky ink. Use the coordinating die from the Greatest Journey Dies set to cut out.
 6. Adhere the sentiment label to the card front, positioning the label in the lower right corner, leaving approximately a 1/2" between the right and bottom of the sentiment label and the card front edge.
 7. Adhere the die cut pine trees to the card front using a combination of liquid glue and Stampin' Dimensionals. Position the pine trees so that they are slightly overlapping the sentiment label on the left side.
 8. On the inside panel, stamp the sentiment "I'm so inspired by your Courage" in Starry Sky ink. Stamp the pine tree image in the lower left corner of the panel - also in Starry Sky ink. Adhere the panel to the inside of the card.

9. Stamp the same pine tree image on the envelope front in Starry Sky ink.
10. Adhere a piece of coordinating designer series paper to the envelope flap and trim away the excess paper from around the flap. Use either the Starry Sky print or the Highland Heather Mountain print.
11. On the card front, adhere several white Opaque Adhesive-backed Gems to the sky area. Adhere a purple gem to the sentiment label.

This completes the card! The designer series paper does all of the work on this card and makes a BIG impact! The sentiments and scenery of this card make a great motivational card - good for someone taking a big step in life, such as a career or job change!

Products used to create this card are included on the next page.
