The **Marigold Moments Bundle** combined with the **Dandy Designs 12" x 12" Designer Series Paper** makes for a cheerful card! I made this card into a Good Luck card, but this design would also be suitable for a birthday card or thinking of you card. The stamps in the Marigold Moments Stamp Set include two-step stamps - one stamp to stamp the detailed image and one stamp to stamp the fill the image. Let's get started!

## 1. Card Cuts:

- Card Base - Cut 1 Pale Papaya cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Granny Apple Green Strip print from the Dandy Designs Designer Series Paper to 5-3/8" x 4-1/8"
- Large Scalloped Circle - Cut 1 Basic White cardstock to 3-1/4" x 3-1/4" using the largest scalloped die from the Layering Circles Dies
- Sentiment Label - Cut 1 Basic White cardstock to 1-1/4" x 1-1/4" using the smallest scalloped die from the Layering Circles Dies
- Scrap of Basic White cardstock for stamping and die cutting marigolds
- Scraps of Granny Apple Green and Garden Green cardstock for die cutting leaves
- Inside Mat - Cut 1 Granny Apple Green cardstock to 5-3/8" x 4-1/8"

- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
  - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Using the Layering Circles Dies set cut out the large, scalloped circle and the small, scalloped circle from Basic White cardstock. Set aside the large circle for now. On the small circle, use the sentiment "Good Luck" from the Marigold Moments Stamp Set and stamp onto the circle using Garden Green ink. Set aside for now.
  3. On a scrap piece of Basic White cardstock, use the two step stamps to stamp the Marigolds in Pale Papaya and Pumpkin Pie inks. I stamped the detailed image stamp in Pumpkin Pie ink and stamped the solid image stamp in Pale Papaya ink. Use the coordinating die from the Marigold Moments Dies set to cut out. Optional Step: You can use a Pumpkin Pie Stampin' Blend to deepen the shadows under the flower petals. The flowers shown on my card front were touched up with a Pumpkin Pie Stampin' Blend.
  4. Die cut two sets of leaves in Garden Green cardstock and one set of leaves in Granny Apple Green cardstock using the detailed three-leaf die from the Marigold Moments Dies set.
  5. Using the decorative border die from the Marigold Moments Dies set, position this die across the long edge of the striped DSP panel and die cut. This creates a scalloped edge. Adhere the DSP panel to the card front making sure to leave a 1/16" reveal along the top, left and right of the card base.
  6. Arrange the die cut marigolds and die cut leaves onto the large scalloped circle. I used my paper snips to cut the leaves apart. Once satisfied with the arrangement of the marigolds and leaves, adhere the marigolds to the large circle using Stampin' Dimensionals. Use liquid glue to tuck the leaves under the flowers. Adhere the circle to the card front using Stampin' Dimensionals and position the circle on the upper left of the card.
  7. Adhere the sentiment label on the lower left of the card using Stampin' Dimensionals. Using twine in Garden Green from the Three Twine Combo Pack, tie a small double bow and adhere the bow just above the sentiment label using a Mini Glue Dot.
  8. On the inside panel, use the two-step marigold stamps to stamp a cluster of flowers onto the lower left corner of the panel. Note: I second generation stamped the detailed image in Pumpkin Pie ink and second generation stamped the filler image in Pale Papaya for a softer look. Adhere the inside panel to the Granny Apple Green mat then adhere this unit to the inside of the card.

9. Repeat stamping of the two-step marigolds onto the envelope front. The images were second generation stamped.
10. Adhere the piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap.
