I used the ***Playing In The Rain Bundle*** and the ***Rain or Shine 12" x 12" Specialty Designer Series Paper*** to create this cute and fun treat pouch. This is a great gift idea for Valentine's Day (use Valentine themed paper and images) or create this project for an Easter treat! The pouch is large enough to hold a handful of Hershey Kisses, jellybeans or your choice of sweets! The finished size of the pouch is 2" x 2" x 4" and has a ribbon closure. Let's get started!

1. Paper & Ribbon Cuts:

- Cut 1 piece of Rain or Shine 12" x 12" Specialty Designer Series Paper to 6" x 10-1/2".
On the long side, score at 2-1/2", 5", 7-1/2" and 10"
On the short side, score at 2" - See Note Below!
- Cut 1 length each of Balmy Blue & White Variegated Ribbon and white twine from the Baker's Twine Essentials Pack. Cut lengths long enough to tie a bow.
- Sentiment Label - Cut 1 small scrap of Basic White cardstock to approximately 2-1/4" x 2-1/4"
- Bunny Cutout - Cut around 1 bunny from the Rain or Shine 12" x 12" Specialty Designer Series Paper, then use the coordinating die to cut out.

Note: When using "directional" paper, when scoring on 2" mark on the short side, make sure the scoreline is at the bottom of the paper. Everything below this 2" score line is the bottom of the box!

2. Score paper as directed above. Using paper snips or your paper trimmer, cut out the small rectangle created by the scorelines. On the 1/2" tab created by the score lines, cut a small "V". Refer to photo below.

3. Using a bone folder, burnish all score lines.
4. Orient the paper so that the long bottom edge is closest to you and horizontal. Use paper snips or your paper trimmer and cut up along each vertical score line from the bottom edge to the horizontal 2" score line. This creates the box bottom flaps.
5. Turn paper over to "wrong" side and fold 1/2" tab over. Apply Tear & Tape along the "right side" of the 1/2" tab.

6. Fold paper over and adhere ends together to form a tube.

7. Holding the pouch upright, locate the seam. This is the "back" of the pouch. Fold side flaps in first and secure with liquid glue or Tear & Tape, then fold remaining flaps closed and secure with liquid glue or Tear & Tape.

8. Holding the pouch at the top, gently push in the sides of the pouch, making sure to align the front and back top edges of the pouch.

9. Holding the pouch closed at the top, locate the front center of the pouch and use a small hole punch to punch through the closed layers approximately 1/4" from the top edge.
10. This is the most important step...fill the pouch with a favorite treat!
11. Pinch the top of the pouch closed. Insert the lengths of ribbon and twine through the hole(s). First, tie a bow from the ribbon, then tie a bow from the twine.
12. Decorate the front of the pouch! I used the Playing In the Rain Dies to die cut one of the bunnies from the Rain or Shine 12" x 12" Specialty Designer Series Paper. The bunny was adhered to the pouch front using Stampin' Dimensionals.
13. Stamp the sentiment "Oh, Happy Day" in Mango Melody ink onto a scrap piece of white cardstock then use the 2nd to smallest die from the Layering Circles Dies set to cut out. Adhere the sentiment to the pouch front using Stampin' Dimensionals.
14. Adorn with coordinating embellishments as desired.

This completes the treat pouch! This milk carton-type pouch can be used to gift treats for any occasion - just change up the paper, sentiment, and decorations! Have fun!

Products used to create this project are included on the next page.
