- DSP Strip - Cut 1 coordinating DSP to 4-1/4" x 1/2"
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by adhering the DSP Panel to the card front.
 3. Stamp the sentiment "Thanks" in Blackberry Bliss ink onto Basic White. Use the label die from the Fragrant Flowers Dies set to cut out.
 4. Using the Fragrant Flowers Dies, cut out the double flower with leaves from the Favored Flowers 12" x 12" Designer Series Paper. Die cut 2 of the open leaves from the same Dies set in Mossy Meadow. Adhere the double flower image to the card front using Stampin' Dimensionals. Position the flowers left of center. Tuck the two die cut leaves around the left side of the flower image using liquid glue.
 5. Adhere the sentiment label to the lower right of the card front using Stampin' Dimensionals. The sentiment label will slightly overlap the flower image on the left side.
 6. On the inside panel, partially stamp the large flower image from the Fragrant Flowers Stamp Set in Blackberry Bliss ink onto the lower left corner of the panel. Adhere the DSP strip down the right side of the panel and approximately 1/4" away from the right side of the panel. Adhere the panel to the inside of the card.

8. Adhere multiple Fresh Freesia Opaque Adhesive-backed Gems to the card front.

This completes the card! The pretty die cut flowers on this card front are perfect and beautiful and this is a really quick card to put together! Don't miss out on grabbing this gorgeous paper to coordinate with the Fragrant Flowers Bundle!
