- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Start by adhering the DSP panels to the Rear Card Base.
 3. Adhere the DSP panels to the Front Card Base.
 4. On the Inside Panel, partially stamp the detailed flower image in the lower left corner of the panel. Adhere the inside panel to the far right panel of the Front Card Base.
 5. Stamp the sentiment "hello" in Petal Pink ink onto white cardstock and fussy cut the image. Adhere the sentiment to the far-left panel of the Front Card Base using Stampin' Dimensionals. Position the sentiment label onto the lower right corner.
 6. From the Petal Pink flower print paper from the Hello Irresistible 6" x 6" Designer Series Paper pack, die cut the following using the coordinating dies from the Irresistible Blooms Dies set:
 - Die cut 2 small flowers
 - Die cut 1 large flower
 - Die cut 2 of the two-leaf images
 - Die cut 2 of the three-leaf images
 7. Using the Irresistible Blooms Dies, die cut 3 of the large open leaf images and 2 of the smaller open leaf images from white cardstock.
 8. On the far-left panel of the Front Card Base, arrange 1 large flower and one small flower and the die cut leaves onto the left side of the panel. It's okay if the leaves slightly overhang the panel. Once satisfied with the arrangement, glue the large flower down, then adhere the small flower using Stampin' Dimensionals so that the small flower slightly overlaps the large flower towards the bottom. Tuck the leaves around the flowers and adhere. Note: Reserve 1 small flower and 1 3-leaf die cut for the center panel.
 9. Adhere 1 small flower to the center panel of the Front Card Base. Tuck 1 3-leaf image slightly under the flower and adhere.
 10. Adhere the Front Card Base to the Rear Card Base (refer to photo below).
 - Slip the Front Card Base into the Rear Card Base, close the two card bases and determine placement of the Front Card Base. It should be centered onto the larger, Rear Card Base when both units are closed. Apply liquid glue to the back of the right panel on the Front Card Base and adhere to the Rear Card Base.
 - With the two card bases closed, apply glue to the back of the left panel on the Front Card Base and adhere to the left panel of the Rear Card Base. **Caution: Apply glue only to the portion of this panel that will make contact with left panel of the Rear Card Base.**

12. Stamp the small flower image to the lower left of the envelope front in Petal Pink ink. Adhere a piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.

The card is complete! I'm not sure which I like more...the beautiful Irresistible Blooms flowers, the gorgeous Designer Series Paper or the Double Z Fold!

Products used to create this card are included on the next page. The Irresistible Blooms Bundle and the Hello Irresistible 6" x 6" Designer Series Paper will be available on March 1 as Online Exclusives! Enjoy!
