I pulled out a set a haven't used in a while...the Honey Bee Home Stamp Set! This is one of my favorite sets! I also used the Something Fancy Dies and the Dainty Delight Dies along with some paper from the 2021-2023 In Color 6" x 6" Designer Series Paper pack. Let's get started!

1. Card Cuts:

- Card Base - Cut 1 So Saffron cardstock to 8-1/2" x 5-1/2" and score at 4-1/4"
- DSP Panel - Cut 1 of the dotted Fresh Freesia print from the In Color 6" x 6" DSP pack to 5-3/8" x 4-1/8"
- Scraps of Basic White cardstock for die cutting and stamping sentiment and hexagons
- Small scraps of So Saffron cardstock for die cutting daisies
- Small scrap of Fresh Freesia cardstock for die cutting flower centers
- Inside Mat - Cut 1 Fresh Freesia cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. I started by die cutting the following:

- Cut 5 hexagons in Basic White using the hexagon die from the Something Fancy Dies set

- Cut 1 small rectangular label from Basic White using the Something Fancy Dies set
 - Cut 3 daisies in So Saffron cardstock using the Dainty Delight Dies set
 - Cut 3 flower centers in Fresh Freesia cardstock using the Dainty Delight Dies set
3. Stamp the following and color in the images as indicated:
 - Stamp a partial flower image in Tuxedo Black Memento ink from the Honeybee Home Stamp Set onto one of the hexagons and color using Fresh Freesia and Soft Succulent Stampin' Blends
 - Stamp a partial flower image in Tuxedo Black Memento ink from the Honeybee Home Stamp Set onto one of the hexagons and color using So Saffron and Soft Succulent Stampin' Blends
 - Stamp the Bee image in Tuxedo Black Memento ink from the Honeybee Home Stamp Set onto one of the hexagons and color using Stampin' Blends. Use So Saffron for the bee's stripes, Smoky Slate for the wings, and use a Stampin' Write black marker to darken the legs and head.
 4. Adhere the Fresh Freesia flower centers to the die cut daisies. Adhere one daisy to two of the hexagons. Reserve the third daisy for the sentiment label.
 5. Stamp the sentiment "Best of Luck" from the Honey Bee Home Stamp Set in Tuxedo Black Memento ink onto the die cut sentiment label. Note that the label is turned to portrait mode and the sentiment is stamped towards the bottom of the sentiment label. Adhere the third daisy to the upper right of the sentiment label.
 6. Adhere the DSP panel to the card front. Dry fit the hexagons and sentiment labels on the card front (refer to photos for placement). Use Stampin' Dimensionals to adhere the five hexagons and sentiment label to the card front.
 7. On the inside panel, stamp the tall flower from the Honey Bee Home Stamp Set in Tuxedo Black Memento ink and use So Saffron and Soft Succulent Stampin' Blends to color in the flower image. Adhere the panel to the Fresh Freesia mat, then adhere this unit to the inside of the card.

8. Stamp the same flower image as in Step #7 above onto the envelope front and color in the image. Caution: Place a scrap piece of paper or cardstock on the inside of the envelope to prevent bleed through of the Stampin' Blend markers.
9. Adhere the piece of coordinating DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.
10. Adhere multiple Fresh Freesia Opaque Adhesive-backed Gems to the card front. I placed the large gems on the flower centers.
