This fun fold has been making the rounds and so I thought I would share my version with you. My friend and team member Mary with Stamps-N-Lingers shared this fold recently and she got the idea from Elaine Schader with Elaine's Creations. I have seen a number of other demonstrators share this card recently as well...so it's a good one! I used the beautiful Seaside Bay Bundle and the gorgeous By the Bay 6" x 6" Specialty Designer Series Paper for today's card. Let's go!

Supplies:

- Seaside Bay Bundle (stamps and dies)
- By the Bay 6" x 6" Specialty Designer Series Paper
- Layering Circles Dies
- Flat Adhesive-Backed Pearls
- Basic White cardstock
- Petal Pink cardstock
- Coastal Cabana cardstock
- Night of Navy ink
- Balmy Blue ink

2. Start by cutting and scoring the 8" x 5-1/2" white card base using your Paper Trimmer. Refer to diagram below. **You will score on all blue lines and cut on all red lines.**

- On the long edge, score at 2" and 6" from one edge to the other.
- Turn the card base to the short edge. Line the paper up at the 1-1/4" mark, and cut between the 2" and 6" score lines.
- Turn the card base to the opposite short edge and line the paper up at the 1-1/4" mark. Cut between the 2" and 6" score lines.
- Turn the card base back to the long edge and score at 3" and 5" between the two cut lines.
- Keeping the card base on the long edge, score at 4" from the edge of the card base to the first cut line. Pick up the scoring blade and reposition to the second cut line and score from this line to the bottom edge of the card base.

Score on Blue lines. Cut on Red Lines. From the inside of the card every score line between the 2" and 6" score lines are mountain folds. The 2" and 6" score lines are valley folds.

3. Adhere the Night of Navy Clamshell DSP pieces to their Coastal Cabana mats, then adhere these panels to the card front.
4. Adhere all of the White and Balmy Blue DSP pieces to their Coastal Cabana mats, then adhere these units to the inside of the card. Do not adhere the center panel or center mat yet.
5. Using the Layering Circles Dies
 - Die cut 1 circle from Basic White cardstock using the 2nd to largest die
 - Die cut 1 circle from Coastal Cabana using the largest circle die
6. On the white circle, stamp the sentiment "Thank you for everything" in Night of Navy ink. Stamp the sentiment at the top of the circle and slightly to the left. On the bottom of the circle, use the sand stamp and stamp along the very bottom of the circle using Petal Pink ink. Adhere the circle sentiment label to the Coastal Cabana circle.
7. Die cut two grasses from Coastal Cabana cardstock and 1 small clam shell from Petal Pink cardstock. Stamp the crab in Balmy Blue ink, then use the coordinating die to cut out the crab. Arrange the grasses onto the sentiment label then adhere. Place the small clam shell over top of the grass on the left of the circle. Use Stampin' Dimensionals to adhere the crab
