- Card Base - Cut 1 Blueberry Bushel cardstock to 8-1/2" x 5-1/2", score at 2-1/8" and 4-1/4". The 2-1/8" score line is a mountain fold at the card front and the 4-1/4" score line is a valley fold.
 - DSP Panels
 - Cut 2 confetti pattern DSP to 5-3/8" x 2"
 - Cut 1 confetti pattern DSP to 5-3/8" x 4-1/8"
 - Cut 1 striped pattern DSP to 4-5/8" x 3-3/8"
 - Cardstock Mats - Cut 2 Blueberry Bushel cardstock to 4-3/4" x 3-1/2"
 - Inside Panel - Cut 1 Basic White cardstock to 4-5/8" x 3-3/8"
 - Scraps of Basic White cardstock for stamping and die cutting balloons/sentiment.
 - Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"
2. Burnish all of the score lines on the card base. The 2-1/8" score line (card front) is a mountain fold and the 4-1/4" score line is a valley fold. Fully open the card base and adhere the confetti DSP panels to the three sections of the card base.
3. On the white inside panel measuring 4-5/8" x 3-3/8", stamp the inside sentiment, "Let's get our Celebration on" in Blueberry Bushel ink. Second-generation stamp the small balloon in Lemon Lime Twist ink. Second-generation stamp the balloon string in Smoky Slate. Adhere the panel to a 4-3/4" x 3-1/2" Blueberry Bushel mat. Then, adhere this unit to the inside of the card base making sure that you center the panel from top to bottom and left to right.
- Note: I found it easier to first adhere the inside panel as this helps you to line up the panel that will be glued to the card front.**

4. On a scrap piece of Basic White cardstock, stamp 1 large balloon in Berry Burst ink, 1 large balloon in Blueberry Bushel ink, and 1 small balloon in Lemon Lime Twist ink. On the Lemon Lime Twist balloon, stamp the sentiment "You did it!" in Blueberry Bushel ink. Use the coordinating dies to cut out the balloons.
5. Adhere the striped piece of DSP measuring 4-5/8" x 3-3/8" to a Blueberry Bushel mat measuring 4-3/4" x 3-1/2". Fully close the card base. Adhere the striped panel to the card front by gluing only the left side of the panel to the slender panel on the card front.
Important: **With the card base closed, line up the striped panel with the inside panel underneath. You only need to glue the left side of the striped panel down to the slender panel on the left (with card base closed). The top panel should hide the inside panel.**

6. Adhere the two large die cut balloons to the striped panel on the card front using liquid glue. Use a Mini Glue Dot to adhere three short pieces of white Baker's Twine just under the bottoms of the large balloons, then adhere the small balloon just below and slightly overlapping the large balloons using Stampin' Dimensionals.
7. Adhere several Iridescent Rhinestone Jewels to the card front.
8. Stamp two small balloons and strings on the lower left of the envelope front. Use Lemon Lime Twist to stamp the balloons and Smoky Slate to stamp the strings.
9. Adhere a coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.
