Would you like an alternative to ribbon and bows to adorn your wrapped gifts? I made this cute little Gift Topper using the Cheerful Daisies Dies! This is quick and easy to make, and the colors can be coordinated to your wrapping paper or gift box! Let's get started!

Supplies:

- Cheerful Daisies Dies
- Stylish Shapes Dies
- Distressed Gold 12" x 12" Specialty Paper
- Silver Foil 12" x 12" Specialty Paper
- Festive Pearls
- Gold & Silver Trim Combo Pack
- Paper: Basic White cardstock
- Adhesives: Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Stampin' Cut & Emboss Machine

1. Using the largest square die from the Stylish Shapes Dies, cut 1 square from Basic White

cardstock.

2. Use the largest die from the Cheerful Daisies Dies set to cut out the three daisies and leaves from white cardstock. Use a pair of paper snips to carefully cut apart the flowers and leaves. Discard the leaves.
3. Use the detailed flowers dies to cut out one of each daisy from white cardstock.
4. Cut 1 large and 2 small flower centers from Distressed Gold Specialty Paper.
5. Cut 2 leaf sprigs from Silver Foil Specialty Paper.
6. Adhere the detailed flowers to each of the solid image daisies. The detailed daisies will match the solid image flowers exactly so make sure that they oriented correctly before gluing them together with glue. I only applied glue to the centers of the detailed flowers so that the ends of the petals could be curled up to give more dimension.
7. Adhere the gold large flower center to the largest daisy and a gold small flower center to the other two daisies using glue.

7. Turn the white die cut square to a diamond shape, then adhere the largest daisy towards the bottom point of the square using Stampin' Dimensionals. Only apply dimensionals towards the center of the flower. Adhere the small and half daisy next, just above the large daisy using Stampin' Dimensionals.
8. Use liquid glue on the ends of the two silver leaf sprigs and adhere one to the left side and one to the right side of the large daisy. The leaf sprigs should be pointing up slightly and the ends should be tucked under the large daisy.

9. Tie a bow using gold trim from the Gold & Silver Trim Combo Pack and tuck the bow just under the large daisy using a Mini Glue Dot. Allow the trim ends to curl down on either side of the diamond.
10. Adhere multiple silver dots from the Festive Pearls embellishments pack around the daisies.
11. Adhere the gift topper to your package using Stampin' Dimensionals. This will make it easy for the recipient to tear the topper away from the gift wrap if they wish to save the topper.

This completes the project! This gift was already given to the recipient, and she loved the topper...and saved it! Choose your own colors to coordinate with whatever gift wrap you are using...so fun!

Products used to create this gift topper are included on the next page.
